

Letter of gratitude

Dear 18twenty8

I'd like to sincerely thank you for the financial assistance you gave to me when I needed it the most.

In 2021 I was searching for a way to fund my studies as I personally was in no position to fund myself and my mother couldn't as she has a lot of responsibilities with my siblings.

Despite trying my hardest I just couldn't get the assistance I needed. That is until I heard from a friend (Mandisa Mthembu) about 18twenty8. She told me about how you helped her pay for all her outstanding fees.

Your enthusiasm and desire to help South Africa's young women reach their goals is the reason I'm here today. Without your financial assistance there's no telling what would have become of me as I had no luck with all the other institutions and organisations I tried to get assistance from.

Thank you for making my goal to finish my studies a reality. You have also inspired me to look forward to a South Africa where women get all the assistance they need and I hope to be on the helping side as time goes on.

With gratitude

Luyanda Nosipho Ntuli
