## MOTIVATIONAL SUPPORT: Learners

We wish to convey our appreciation for the support you have rendered at the school from the 3<sup>rd</sup> – 14<sup>th</sup> August 2009. We are quite confident that your address at assembly in motivating the whole student body and your interaction with grade 12 and 11 learners during lessons will ensure that their future is built on a strong foundation.

The office has noted that the following matters were of paramount importance to learners; i.e. the need to

- Focus,
- Have role models,
- Study,
- Know entry and pass requirements,
- Select appropriate reading material, and
- Lead a safe life.

On behalf of the management, staff, learners and parents of Masithwalisane we wish to show our humbleness to a change of attitude you brought to the school within such a short period and hope that you will soon be visiting us to cement our eternal relationship with you. We are also aware that you do all these for a brighter future of innocent South African children.

We thank you for your humility

Yours truly,
