Dear Ladies

Thank you so much for gracing our Matric Farewell, held on 25 September 2009, with your presence. Refiloe, it meant so much to the learners and us as educators to have you as our guest speaker. Your speech was inspirational to us all.

You are both part of the Morris Isaacson family now and your involvement with our school marks a new beginning and many years to come.

Thank you once again.

Matric Farewell Organizers.
