Dear Sir

**RE: RECOMMENDATION LETTER**

I am writing to you regarding the services which were provided to our school in 2022 from August for a period of six weeks by 18 Twenty 8.

18 Twenty 8 as an organisation that works in partnership with Ekurhuleni North District has been teaching learners in Kingsway Secondary School about gender based violence as well as offering some practical defence classes. The organisation has done fantastic job and improved the communication skills amongst our learners.

The organisation has a tremendous amount of potential to change the attitude and perspective of learners regarding the violent actions which affects most learners within the school.

As Life Orientation HOD, I am confident in recommending this organisation to work with the schools like ours which is based in a former informal settlement has many learners who are from disadvantage and vulnerable backgrounds.

If you have any further questions or would like to speak with me personally regarding the relationship we had with 18 Twenty 8, please feel free to contact me.

Yours in Education  
Ms Gloria Mohlala
