

Dear 18twenty8

I am writing to express my sincere gratitude to you for the bursary. I was thrilled to learn of my selection for this honor, and I am deeply appreciative of your support.

My name is Thabelo Thelma Themeli and with your assistance I passed all my modules and completed my Business Management qualification.

I'm truly grateful to 18twenty8 because I was sponsored with a laptop which really helped me to write exams and attend my online classes due to Covid19. I was able to focus without any stress.

Yours sincerely

THEMELI, T.T
