

My name is Tswelopele Phora and I completed a Higher Certificate in Economic and Management Sciences at UNISA 2019, thanks to 18twenty8. I am doing my second year BCom in Economics and the funding from 18twenty8 makes a tremendous impact in my life.

I'm so grateful to have an organisation that provides anything I need for school. 18twenty8 has also managed to build a good relationship with the students in the organisation because even outside of school work, they take initiative to check on our physical and mental well-being. They go as far as to provide a helpline to assist with any challenges we might be facing as students. 18twenty8 is an organisation that assists students with funding, but it's also more than that. It's a place that ensures that students feel comfortable and understood outside of school as well. It's created a safe space for girls to be unapologetically themselves and that has made being with 18twenty8 the greatest experience ever.
