RE : APRECIATION & EXPERIENCE LETTER // 18TWENTY8

Dear 18twenty8,

I write this letter to express my most sincere gratitude to the 18twenty8 programme for funding my 2023 LLM in Human Rights studies.

My name is Fundisiwe Ntsebesha, a 23 year old from Margate, KwaZulu Natal. I am an LLM in Human Rights Graduand having completed my qualification in the year 2023 at the University of Johannesburg.

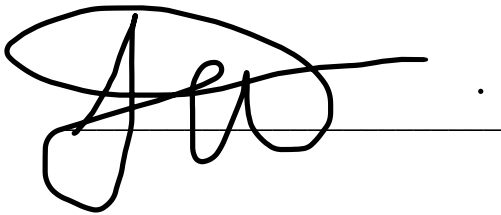

The 18twenty8 financial assistance programme found me at a time when I was unsure and discouraged because I did not have funding for the second year of my study programme. It was such an honour to receive an award letter from the programme because I already thoughts of taking a gap year in order to save funds to pay my tuition fees.

18twenty is nothing short of amazing. I received tuition fees, a living allowance and a laptop as part of my funding. In addition to that, I also received much needed emotional support. As a student, it is very rare that you get a funding programme that goes as far as doing personal checkups to ensure that you are in good health and able to focus on your studies. The 18twenty8 programme ensured that I have more than enough resources for everyday studying, and they offered support during exam season.

I truly appreciate the opportunity in hopes that my journey with 18twenty8 continues.

Thank you so much!
