

Hi, my name is Kiesha Smith.

Firstly, I'd like to thank the founder and her team for the amazing work they are doing for young women. I would also like to thank the donors and sponsors for their wonderful contributions towards making our dreams a reality.

I first heard of 18twenty8 through UCT, and decided to shoot my shot as this was my last resort to attaining financial assistance. I was amazed at how easy and convenient the application process was. Just a click of a button and boom, you just simply add in the required details, documentation and video, and the application process was over. Because of their efficient nature, I did not wait long to hear back from them to see if my application was successful or not. The staff of 18twenty8 is truly wonderful people, and I am particularly impressed by their positive energy they exude. It is very encouraging and inviting. They are warm, kind, friendly and super supportive. They make you feel welcome and they are very eager to help where they possibly can.

Overall, I can 100% attest to their commitment to helping people and their efficiency in doing so. Thank you once again to the 18twenty8 team alongside their donors and sponsors for everything you are doing for us. I'm grateful for all the support and kindness you have shown. I am proud to be part of this community and would highly recommend women apply.
