

Dear 18twenty8,

I trust this letter finds you well. My name is Lesedi Forane, and I am writing to express my profound gratitude to 18twenty8 for the invaluable support they have provided me during a crucial juncture in my academic journey.

I was introduced to 18twenty8 by a dear friend who has personally benefited from the organization's generous funding throughout her studies. Struggling with financial constraints and the daunting prospect of inadequate funding for my education, I reached out to 18twenty8 following my friend's suggestion.

Upon contacting the organization via email and outlining my financial needs, I was met with a swift and encouraging response, urging me to apply through their website. From that moment onwards, I witnessed the organization's unwavering dedication and tireless efforts in securing a sponsor on my behalf.

I am delighted to share that their efforts proved immensely successful, as 18twenty8 successfully secured a sponsor for me which granted me an opportunity to complete my degree. I will be graduating with a BSc Biological sciences degree at the University of the Witwatersrand on the 26th of March 2024. The funding received not only covered my tuition expenses but also surpassed the fees I owed. Consequently, my academic account now carries an additional amount, affording me the financial stability to navigate through the completion of my postgraduate degree without the burden of financial constraints.

I am truly grateful for the instrumental role that 18twenty8 has played in shaping my educational journey, and I wanted to take a moment to express my heartfelt appreciation. Your organization's commitment to empowering students like me is truly commendable, and I am inspired by the positive impact it has on the lives of individuals seeking to pursue their academic aspirations.

Your organization's dedication to making a positive impact on the lives of students has not only transformed my life but has contributed to building a more educated and empowered society.

Once again, thank you for the invaluable support, and I am eager to make the most of this opportunity to further my education and contribute meaningfully to society.

Sincerely,

Lesedi Forane
