

Dear 18twenty8

It was a great honour to receive your generous partial bursary that helped fund my studies towards my BCom degree at UKZN. I sincerely appreciate your belief and support, and I would like to thank you for choosing me. I am currently in my PGDA year, and it would not have been possible without the assistance and support of 18twenty8.

Besides the financial aid that was provided, the social and emotional support also provided a much-needed support structure. The thoughtful calls and meetings especially close to test and exam time considerably eased the tension as I knew I was not alone in this journey, and if need be, I was able to reach out and get the assistance I needed in a moment's notice.

It was such a pleasure to meet and converse with other students in the programme as well. Not all students were in the same field, and some were in different universities around the country, and it is this kind of exposure to diversity that I am most grateful for. It created a sense of a bigger cause or purpose in my degree.

I would like to thank you once again for your generosity and thoughtfulness. I really appreciate all the assistance that you provided me with that aided me in graduating this year with my BCom Accounting degree.

Yours sincerely

Nikisha Reddy
