### Sponsor Appreciation Letter for 2024 Funding

The University of Zululand and the Financial Aid Office express heartfelt appreciation for the generous financial assistance and bursary support that you provided to our students during the 2024 academic year. Your commitment to the education and empowerment of students has made a profound impact on their academic journeys and future aspirations.

The contribution you have made to the educational experiences of our students has been invaluable. As a result of your contribution, our students are now better equipped to excel in their academic pursuits and to give back to their communities in meaningful ways. It is thanks to sponsors like you that we can continue providing a high-quality education and ensure that financial barriers do not prevent talented and driven individuals from achieving their potential.

We would greatly appreciate it if you could confirm your intention to continue supporting students in 2025 or provide us with a list of new students you are willing to fund for the upcoming year.

Thank you for considering our request. We look forward to the possibility of partnering with you to make a significant impact on the lives of our students.

Yours sincerely,

**Mrs Ester Mbangata:**
