

Testimonial to 18twenty8 Funders

Dear 18twenty8 team,

I am writing to express my heartfelt gratitude for the financial support I received through your organization. As I reflect on my journey, I am reminded of the significant impact your organization has had on my life.

I applied to the financial assistance program because I was facing significant financial constraints that threatened to derail my academic goals. Your organization's program was a lifeline that helped me to overcome these challenges.

The financial assistance program helped me in numerous ways. Firstly, it provided me with the necessary financial support to pursue my Advance Diploma in Taxation. This support allowed me to concentrate on my studies, relieve my financial burden. I was able to attend classes, access resources which would have been impossible without your support.

During my Advanced Diploma, I received comprehensive support from 18twenty8. This included:

- Tuition Fees
- Accommodation
- Study resources (Laptop)
- Meal allowance
- Mentorship from a "Big sister"

This support was invaluable, and I am grateful for the support the organization gave toward my education.

I am proud to say that I have successfully completed my Advanced Diploma in Taxation. I am currently enrolled as an intern at ATHENA interactive training Network (pty) Ltd. My long-term plan for now is to secure a full-time position as a tax professional.

I am deeply grateful for the support I have received from 18twenty8. Your organization's investment in my education has been transformative and I am committed to paying it forward in future by making a positive impact in my community

Thank you for believing in me and providing me with the opportunity to realize my potential.
